## SITE TOUR - ALL WELCOME!

With components on-site and turbine installation underway, we'd like to share with you the progress that we've made thus far.

**You are invited to join us for a tour of the site on Saturday November 22, from 1-4pm.**

Due to overwhelming interest in the public tour, we ask that residents meet at the **SITE ENTRANCE at 2312 New Russell Rd at 1:00PM INSTEAD of the New Ross Consolidated School Parking lot** in order to safely accommodate vehicle parking.

The tour will last approximately 2 and a half hours and will include a visit to an erected turbine, a partially erected turbine, and the substation.

Refreshments will be provided as will handout information on the project. Please dress warmly.

**\*For planning purposes, RSVP to [rsvp@southcanowind.com](mailto:rsvp@southcanowind.com) or (902) 684-1104 by November 14\***
